

BLATY COUNTERTOP

Oferujemy blaty we wstęgach docinanych na indywidualny wymiar Klienta. Maksymalny wymiar blatu prostego to 409 cm. Proponujemy kilkanaście opcji połączeń blatów na tzw. łezkę w komplecie ze śrubami rzymskimi. Błat 90R to blat stosowany do szafki D12R/90.

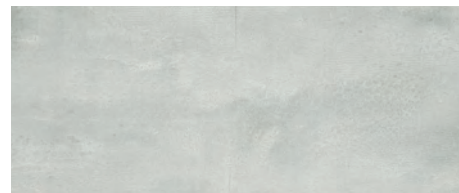

• Możliwość zamówienia paneli przyściennych oraz formatek w kolorze blatu.

We offer worktops in ribbons cut to the individual size of the customer. The maximum length of a straight worktop is 409 cm. We offer over many options for connecting worktops to the so-called teardrop complete with turnbuckles. The 90R worktop is used for the D12R / 90 cabinet.

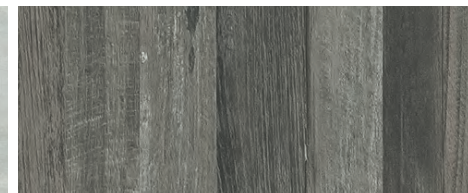

• Possibility to order wall panels and forms in the color of the worktop.
